Add New Page

A screenshot of the WordPress 'Add New Page' editor interface. At the top, there is a large text input field with the placeholder text 'Enter title here'. Below this field is a toolbar containing an 'Add Media' button on the left and 'Visual' and 'Text' tabs on the right. Underneath the tabs is a menu bar with options: File, Edit, Insert, View, Format, Table, and Tools. Below the menu bar is a rich text editor toolbar with various icons for text formatting (bold, italic, quote, list, link, unlink, undo, redo) and other functions (font family, font size, text color, background color, table, help).
